Hi Elizabeth,

I'm copying and pasting the delegations of authority language for Paragraph 2 from my U.S. Oil Recovery AOC draft below. Not sure what to do about the error message Lance found in Paragraph 79f. I don't remember seeing that in the draft I commented on yesterday.

This Settlement Agreement is issued under the authority vested in the President of the United States by Sections 104, 107 and 122 of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9604, 9607 and 9622 ("CERCLA"). This authority was delegated to the Administrator of EPA on January 23, 1987, by Executive Order 12580, 52 Fed. Reg. 2926 (Jan. 29, 1987), and further delegated to Regional Administrators on May 11, 1994, by EPA Delegation Nos. 14-14-C (Administrative Actions Through Consent Orders) and 14-14-D (Cost Recovery Non-Judicial Agreements and Administrative Consent Orders). This authority was further redelegated by the Regional Administrator of EPA Region 6 on June 8, 2001, to the Superfund Division Director by EPA Region 6 Delegation Nos. R6-14-14-C (Administrative Actions Through Consent Orders) and **R6-14-14-D**.

Hi team,

I'm in the doc right now since I'm acting for Mark. I'm trying to put in Doretha's changes. I'll see if I can fix those two things.

Thanks,  
Elizabeth

Yes, the correct delegations should be included in Paragraph 2, but at this point it's not something that should hold it up. I don't know about the Paragraph 79f error message. I don't remember seeing that in the draft I commented on.

Ed,

I have a couple of quick questions.

In paragraph 2 last sentence is there supposed to be something inside those parentheses? It says, "(insert the numerical designations and dates of regional delegation)"

Paragraph 79f someone added "error! Reference source not found and marked out XVII. It doesn't seem to be one of your comments or changes.

Hi All,

I just initialed and dated (concurred) for Mark (with comments in redline). However, I'm not sure if my comments were saved correctly within the e-routing system. So I'm attaching the draft here with my redline comments. The main change I made includes prepayment language I got from Janice Linett at OECA on another RI/FS AOC I've been working on (US Oil Recovery) that includes the correct payment address. I'm copying Doretha to make sure she sees it (Paragraph 78).

Also, the RPM should still provide an estimate of the cost of the work to be inserted in the blank space on Paragraph 98.
